**Subject:** RTC related to Bee assessment  
**Attachments:** FLComment.pdf; Imi Final Bee Assessment 3-9-19-MAR.docx; Imi RTC for MAR-Bee Assessment.docx

Kindly please find attached one of the comments that is related to the subject. You will find attached:

- (1) A copy of the document containing comments from FL which includes a comment related to persistence which I addressed and other comments related to issues that you may want to address;
- (2) My response to one of the comments; and
- (3) The final Bee risk assessment with changes to the fate section by addition of other studies and including better figure for the degradation pathway.

Please let me know if additional information or clarifications are required

REGARDS  
Mohammed
